

655—6.6 (152) Specific nursing practice for licensed practical nurses.

6.6(1) The licensed practical nurse shall be permitted to provide supportive and restorative care in the home setting under the supervision of a registered nurse, as defined in subrule 6.2(5), or a physician. When the licensed practical nurse provides care under the supervision of the registered nurse, the initial assessment and ongoing application of the nursing process shall be provided by the registered nurse.

6.6(2) The licensed practical nurse shall be permitted to provide supportive and restorative care to a specific student in the school setting in accordance with the student's health plan when under the supervision of and as delegated by the registered nurse employed by the school district.

6.6(3) The licensed practical nurse shall be permitted to provide supportive and restorative care in a Head Start program under the supervision of a registered nurse, as defined in subrule 6.2(5), or a physician if the licensed practical nurse were in this position prior to July 1, 1985.

6.6(4) The licensed practical nurse shall be permitted to provide supportive and restorative care in a camp setting under the supervision of a registered nurse, as defined in subrule 6.2(5), or a physician. When the licensed practical nurse provides care under the supervision of the registered nurse, the initial assessment and ongoing application of the nursing process are performed by the registered nurse. The licensed practical nurse is responsible for requesting registered nurse consultation as needed.

6.6(5) The licensed practical nurse shall be permitted to provide supportive and restorative care in a county jail facility or municipal holding facility operating under the authority provided by Iowa Code chapter 356. The supportive and restorative care provided by the licensed practical nurse in such facilities shall be performed under the supervision of a registered nurse, as defined in subrule 6.2(5). The registered nurse shall perform the initial assessment and ongoing application of the nursing process. The registered nurse shall be available 24 hours per day by teleconferencing equipment, and the time necessary to be readily available on site to the licensed practical nurse shall be no greater than ten minutes. This exception to the proximate area requirement is limited to a county jail facility or municipal holding facility operating under the authority of Iowa Code chapter 356 and shall not apply in any other correctional facility.

6.6(6) The licensed practical nurse shall be permitted to conduct height, weight and hemoglobin screening and record responses to health questions asked in a standardized questionnaire under the supervision of a registered nurse in a Women, Infants and Children (WIC) clinic. A registered nurse employed by or under contract to the WIC agency will assess the competency of the licensed practical nurse to perform these functions and will be available for consultation. The licensed practical nurse is responsible for performing under the scope of practice for licensed practical nurses and requesting registered nurse consultation as needed. This exception to the proximate area requirement is limited to WIC clinics and to the services permitted in this subrule.

This rule is intended to implement Iowa Code sections 17A.3 and 152.1.
